DETAILED ACTION

Allowable Subject Matter

1. Claims 14-29 are allowed.
2. The following is an examiner's statement of reasons for allowance: None of the prior art of record teaches a high frequency current fixing device wherein the fixing device is controlled in accordance with an amount of electric power remaining after components of the image forming apparatus other than the fixing device are operated.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

3. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. Hayashi and Umezawa et al teach electric power adjusting control devices for adjusting maximum electric power to be supplied to the coil of a high frequency current fixing device.
